

Enjoy the Best of Fresh and Local, Even in the Winter Months

Even with these five months of short days and long nights, the growing season continues at North Star Homestead Farms.

With a combination of storage veggies (potatoes, onions, garlic, winter squash etc.) and fresh greens from our aquaponics (lettuce, kale, Swiss chard, bok choy, fresh herbs, etc.) joining the CSA program means that this deliciousness is packed with care for you!
