Welcome to the Erindale Tapestry Studio
tutorial guide for needle felting Black Bear!

To watch the tutorial, go to:

<http://erindaletapestrystudio.com/tutorials/>

Choose "Needle Felting Beginner Level Projects"

Please watch the video on Basic Technique and Safety first.

Scroll down until you see the picture and tutorial for Black Bear

Use the password **BlackBear0223** to view the tutorial. (2 words, 4 numbers, capitalizations are important, no spaces.)

You can stop, start, and view the tutorial as many times as you like. Keep the password in a safe place, as you will be asked to use it again after leaving the website. Please respect that the creation of this tutorial takes effort and time, and the password access permission is for your personal use.

Suggested materials list for making one arctic fox:

- Kabob or fondant stick
- Black wool roving
- Brown or tan wool roving
- 2 black core glass beads for eyes
- Needle and thread (preferably black thread)
- Foam work surface
- 38-gauge felting needle
